The 15.6" Corporate Traveler Backpack is made for the road. The patented checkpoint-friendly design helps you fly through airport screenings without removing your laptop and a hidden trolley strap attaches the pack to your rolling luggage. Easily access your supplies with a zip-down workstation that has strategically located pockets and dividers for optimum organization.

Made with durable military-grade ballistic nylon and a state-of-the-art SafePort® x D3O® protection system to help prevent drop and side-impact damage, you can rest assured your devices are protected. It's also comfortable to carry, with a molded back panel and ergonomic shoulder straps that reduce the weight of your gear on your shoulders.
