A perfect blend of style and storage, the Spruce™ EcoSmart® Checkpoint-Friendly Backpack is designed to protect laptops up to 15.6" in size with its SafePort® Sling drop protection. Eco-friendly to its core, it's constructed from 21 recycled plastic bottles and features nickel-free hardware and recyclable plastic components. To store your essentials, the backpack's features an organized workstation with key clip, business card holder, pen loops, and zippered accessory pocket. A quick-access front pocket provides a convenient place to store items while on the go. The padded back panel and adjustable shoulder strap allow for a customized, comfortable fit. And for optimal travel, the patented checkpoint-friendly design helps you fly through airport screenings without removing your laptop.

A colorful green interior lightens the case, making items stored inside more visible. Both sleek and sporty, the Spruce line offers a durable option with carefully selected materials to minimize your carbon footprint.
