Built for the long haul the 15-17.3" 2Office Antimicrobial Backpack is thoughtfully designed to carry and protect your work essentials. With its modular design, clamshell opening, smartly placed pockets, and antimicrobial protective finish, this backpack lets you carry more and worry less.

Made to fit laptops ranging from 15-17.3", this bag's SafePort® Sling keeps your laptop secure in case it's dropped. Its clamshell workstation lets you organize and carry your accessories, including a full-size keyboard. And its two front pouches are removable to help you right-size your backpack to your day's needs.

For optimal convenience, the backpack has plenty of pockets to store your everyday essentials quickly and securely, including the top accessory pocket, zippered lumbar pocket, and mesh and zippered pockets on the shoulder straps. Its smart design also features adjustable, ergonomic shoulder straps and a padded back panel to ensure a comfortable fit. For added protection, this case features Targus Antimicrobial Protection, an infused protective finish to the material that creates a cleaner surface and protects the backpack. Unlike

typically used cases, Antimicrobial Protection
