Stylishly carry your workday essentials with the Targus® 15.6" Classic Commuter Backpack. Equipped with multiple safety features, the SafePort® Sling Protection System safeguards your laptop from the inside, while lockable zippers and an RFID-blocking pocket help keep your gear safe from the outside. Organize your essentials for maximum efficiency with the built-in workstation and two water bottle pockets, and power-up your USB-C® devices with the convenient, external USB-C pass-thru port.

Designed with ergonomically contoured shoulder straps and padded, lumbar support, this bag is made for an ultra-comfortable carry, while its breathable mesh fabric helps keep you cool during your commute. It even has a trolley strap to slip onto your rolling luggage. Its classic silhouette is appealing to travelers of all ages and truly makes this bag the perfect companion whether you're on-the-go for work or leisure.
