Make it to your gate with time to spare with the Targus® 15–16" Exhibition™ Checkpoint-Friendly Backpack. Designed with the traveling professional in mind, this bag unzips flat, so your device is ultra-easy to access when you go through security, and its front pocket is perfect for a boarding pass and your ID. It offers multiple interior and exterior pockets with ample space to store your accessories and workspace essentials. For maximum protection, the main laptop compartment features the SafePort® Sling Protection System, specifically engineered to safeguard your laptop in case of accidental drops, and lockable zippers provide enhanced security from potential thieves.

Offering multiple ways to carry, this bag is equipped with a comfortable top grab handle, contoured, padded shoulder straps with breathable air mesh back, and a trolley strap for stack-and-roll convenience while you make your way through the terminal. It has two side mesh pockets for your water bottles or favorite commuter drink of choice. This backpack is the optimal travel companion and stores easily in the overhead compartment.
